

That's why we're taking the following actions to provide a safe and healthy environment for both patients and employees:

ADDED ENTRANCE PROCEDURES

- Masks must be worn upon entry and at all times while in the clinic

ENHANCED HYGIENE BEST PRACTICES

- Thoroughly and repeatedly disinfecting all equipment and high-touch surfaces (counter tops, doorknobs, etc.) and items (pens, timers, etc.)
- Rearranging equipment to allow for social distancing to the fullest extent possible
- Requiring staff to frequently wash their hands
- Installing several hand sanitizing stations throughout the clinic
- Removing all common area items such as children's toys and magazines

EXTENDED CLINIC HOURS

- Offering special hours for our seniors and immunocompromised patients

WHO WE ARE

At Chiro One Wellness Centers, our team approach to care, experienced doctors and personalized treatment plans provide patient-centered chiropractic care at locations close to you.

Our chiropractic doctors specialize in helping patients find relief from pain and discomfort through a unique combination of gentle, all-natural chiropractic adjustments and therapies. We diagnose and treat musculoskeletal issues to optimize alignment, improve mobility and increase flexibility.
